HAQUE CENTRE OF ACTING & CREATIVITY

OUR BACKGROUND

HAQUE CENTRE OF ACTING & CREATIVITY

Established in 2013, Haque Centre of Acting & Creativity (HCAC) is the first professional acting studio in Singapore. We have conducted over 50 corporate training workshops for MNCs, statutory boards and NGOs to tap on their innate creative talents to succeed in the corporate world.

We have over 2000 acting alumni, ranging from creative double-lifers to professional actors. Many who have benefitted from our training have gone on to appear in major Hollywood films, stage productions, television shows and commercials around the world.

“ *Acting enhances self-awareness of the body and mind and teaches a corporate executive to advocate for what they are saying.* ”
